(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

Dear sir:

This is applicant King Sheng Wang. I haven't gotten any information since I changed my address on 2003/05/24. At the end of last year, I checked USPTO'S website and learned that you have approved our application and we need to pay the fees. However, because I got no message from USPTO since 2003/05/24, I didn't know that we should pay the issue and publish fee. I tried to contact the examiner since the end of last year, but I can't reach her for a long time and it was always answer machine. I also left message in examiner's answer machine but still got no response from examiner until 28/01/2004. The examiner told me the case already abandoned and the case was not held by her. She told me that I must take petition for revival of this application. I accept the examiner's suggestion. However, I haven't receive the notice of allowance. This is my reasons for the delay in filing a porper reply. Thank your very much for your help!

Sincerely,

King Sheng Wang
